Directions

From the M1 North or South exit at Junction 24 and take the A6 (signposted to Loughborough) after 0.4 mile turn left onto Side Ley Rd (Large Factory with 'Cott' on the side on your left) signposted for Sutton Bonington/Kingston on Soar.

Continue on this road for just over a mile (the road turns sharp right then sharp left over a canal/river) then shortly after you will see a signpost for Kingston on Soar. Turn right here passing under a metal railway bridge and continue on through Kingston on Soar village passing a Church on your left.

Continue on out of the village over a small bridge and up a hill (Gotham Rd) for 0.3 of a mile and as you approach the brow of the hill turn right through large stone gateposts marked 'private no entry' this is Kingston Hall.

Proceed along the drive over 2 speed-humps then bear left at the fork in the road immediately passing over another speed hump. You will then be facing an archway dead ahead - turn sharp right **before driving through the archway** and drive onto a cobbled courtyard through a set of stone gate posts where the office is located.
